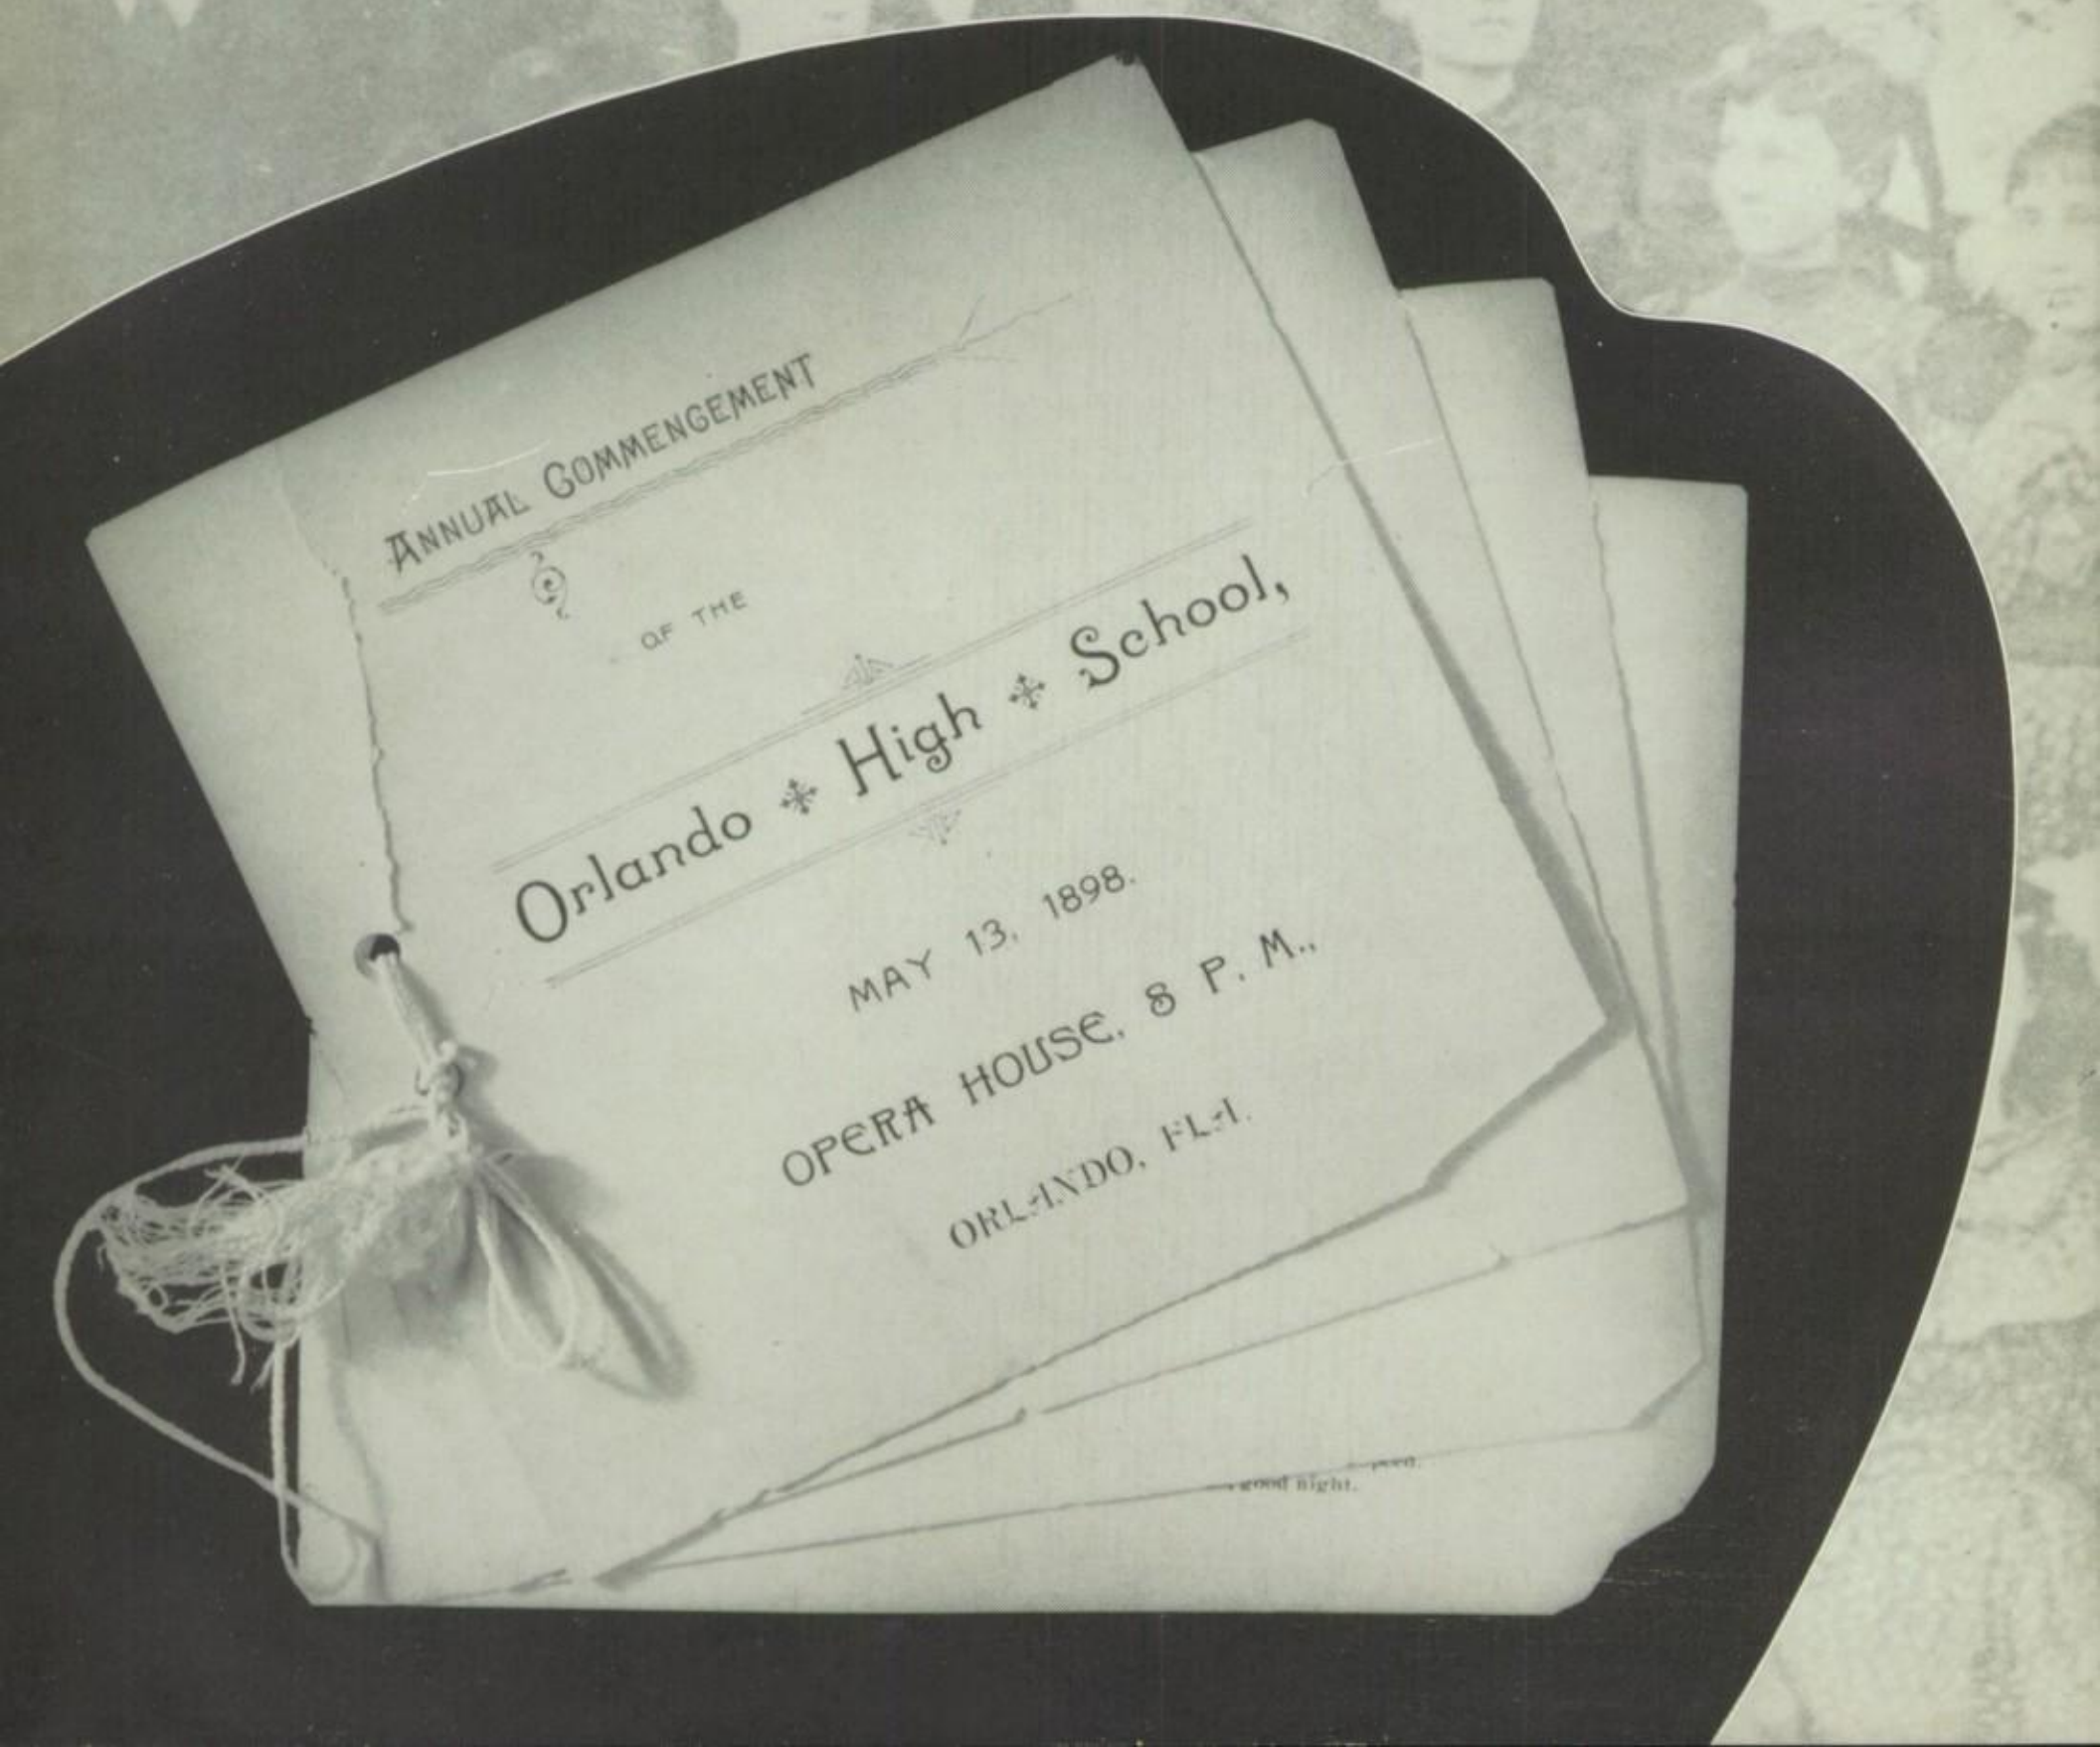
From the Past



From Public School to City Hall

Colorful indeed is the history of Orlando Senior High School. Our educational program was born nearly seventy-five years ago, when a handful of students met in a humble log cabin to learn the three R's. Because of the efforts of these pioneers, today we study and work together in a school with fourteen hundred students and thirty-five clubs.

Time and again as the school outgrew itself, the site was changed. From the one-room cabin the classes were moved to the building which later became the city hall; from there, to what is today Memorial Junior High School and then to our present Orange County Vocational School. Perhaps some of our parents or grandparents remember spending many hours at their books in one of these schoolhouses.

On a memorable day in 1926 the buff brick building which is so familiar to us became the home of Orlando Senior High School, and thus it has been for twenty-four years.

Will they graduate from a new OHS?

Into the Future

Last summer it seemed probable that the Seniors of '53 our Sophomores, would graduate from the two new high schools. Now, because of the world situation and the scarcity of building materials, it looks as though they too will finish their high school years at OHS.

Sophomores of '51
Seniors of '53

Hey!

Lou Rene and Gail

As we Seniors leave OHS, we cannot help but think of the heritage we have shared these last few years. We realize that OHS did not become by itself the outstanding school it is. We know it to be the culmination of years of work and planning by faculty members, administration, county board, parents and students throughout the years. We deeply appreciate their interest and desire for improvement, so that we might be afforded better and more pleasant educational facilities.

In the 1951 TIGANDO we have given you a glimpse into the past, the present and the future of OHS, and we have tried to make you aware of the accomplishments and conscious of the progress of years gone by. Your TIGANDO is your tangible collection of memories of the studies, assemblies, football games, proms, clubs, and plays of your high school years, the years that will formulate your future.

To Mrs. Geneva Cramer and Miss Sara Ferguson, who have faithfully supported our undertaking and advised us with patience and enthusiasm, we express our sincere thanks. We shall not forget the efforts put forth for the success of the '51 TIGANDO by each member of the staff.

The editors of your annual would like to congratulate you, the Seniors, and wish for you the greatest success in your future tasks. Juniors, you will soon fill the vacancies left by the graduates. We hope you will continue to uphold the traditions of OHS. Sophomores, you may finish your high school careers in a new building. We are counting on you to maintain the high scholastic rating of Orlando Senior High School.

May you all reach the goal you aspire. May you treasure your 1951 TIGANDO as a remembrance of your friends and achievements in high school.

GAIL BERMAN, Editor

LOU RENE VOGES, Editor

It Is A Privilege . . .

To Dedicate

THE 1951 TIGANDO

To all teachers past and present who have had a part in making OHS the outstanding school that it is; to our parents whose guidance and understanding at home have enabled us to take advantage of our studies and activities at school; and especially to our principal, Mr. W. R Boone, whose friendliness and optimism have made him the individual most responsible for the growth and achievement of Orlando Senior High School.

To the Class of 1951:

Perhaps it seemed like a long, long road ahead when you first registered at OHS. But we hope that now your travels through the halls of the old school have many pleasant memories. May these memories regale your future lives as you pass along through the many other hallways that you will naturally follow during your life.

Friendships formed in high school are among the most lasting that we have. May you have formed many of these friendships to carry along throughout life and to lighten the pathways of memories.

When times come for you to face the problems of life may the influences upon you while in high school prove to be always a steadying force. May you feel that you have benefited by your associations, the social knowledge (as well as book learning), and the cultural opportunities offered by the high school. And finally, may you all graduate from high school with a desire to be good American citizens.

Miss Mier's office force, seated: Alice Lane, Vonceal Folsom, Ann Frazier, Miss Mier, assistant principal. *Standing:* Mayanne Davis, Loretta Crist, Virginia Huggins, Dorothy Foster, Paula Orr, Ann Ross, Carolyn Counts, Anne Williams, Margaret Williams, Eileen Newell, Ruth Ailstock, Jeanne Akerman.

ADMINISTRATION

In every large school, the office force plays a vital part. Miss Mier, with the assistance of her girls, cares for problems of attendance and makes out all State reports. Miss Page is supervisor of supplies and gives her girls valuable training in assisting her with secretarial work. Miss Bruce, with her many problems as Registrar, is always willing to take time out to give advice and help to anyone. Three more efficient people could not be found!

Miss Bruce's office force: Diane Morgan, Janyce Marz, Nancy Jackson, Miss Bruce, registrar; Patsy Kagi, Dorothy Boykin.

Serving as Dean of Girls and supervisor of the clinic, Mrs. Julian Hyer has become a "second mother" to many O.H.S. girls. The members of the clinic force aid in scheduling "shots" and are always eager to help us keep well.

Frieda Vincent, Mary Ann Fields, Virginia Vazac, Thais Wingert, Miss Eldridge, Neoma Blanchard, Kathryn Green.

OHS students are fortunate to have Miss Lillian Eldridge as their librarian. She is constantly working to obtain more and better books for us to enjoy. Whenever we need material for themes or debates, we can always count on Miss Eldridge to help us out. Thais Wingert and Virginia Vazac serve as her capable assistants.

Alma Swallows, Miss Meadows, Jeannie Ward.

Our school has its own treasurer; in fact, we have had two this year. Mrs. Groetsch, our former efficient treasurer returned to us when Miss Meadows accepted a new position at mid-term. All finances for the clubs and organizations of the school are handled through this office.

Mr. Magarian, Marcus Eastman, Buddy Howard, Barry Van Deventer, Stanley Siggelko, Don Milton, Fred Keyser, Jim Basher, John Adams, Richard Slavik, Violet Worth, Diann Phillips, Anita Tucker, Vera Pisani, Charlotte Somerville, Jean Ellis, Jennievie Kimbrell.

CIVIC CLUB REPRESENTATIVES

In an effort to strengthen community relations, Orlando High School seniors attend weekly meetings of the various civic organizations and act as junior members.

Each month of the school year Mr. Boone appoints the students to attend these meetings. The privileged seniors chosen for this activity accept it as an honor.

After sitting in on the business meetings for a month each junior member is invited to speak to the civic group explaining the benefits he has gained.

Because our TIGANDO is sent to the publisher at the end of the first semester, only the names of the first semester representatives are printed on the following pages.

The Senior Class Sponsors—Mrs. Shaheen and Miss Bruce

We express our sincere appreciation to our sponsors, Mrs. Clifford Shaheen and Miss Anne Bruce. Their understanding of our problems, their efforts to keep the Seniors happy, and their striving to make us outstanding during our final year at OHS have endeared them to us.

Because she has given most generously of her time to guide us through all three of our high school years, Mrs. Shaheen has become one of our true friends.

Miss Bruce has had an ever-listening ear for our troubles, and with her sparkle of humor has advised us in matters both large and small.

To both we are indeed grateful.

The SENIOR BOOTH *at the* FAIR

"Two hamburgers all the way." This was the battle cry of the Senior Booth. Breaking away from the usual tradition, the booth this year was entirely managed by the students and sponsors of the Senior Class. Shifts began at eight-thirty in the morning and ended at midnight. More than two hundred students were among those who molded countless hamburgers, shed tears over hundreds of onions, sliced thousands of rolls, and acquired numb hands from retrieving cold drinks fom the depths of the icy coolers. Everyone agreed that it was fun though! The money received from this enterprise will be used by the Senior Class for their class project.

The hard-working backbone of many OHS activities is the Student Council. Modelled after our National Congress, in that it has a Senate and a House of Representatives, the Student Council makes democracy real for each of us. Each semester every first period class elects a student to the House of Representatives. The Senate is composed of the presidents of all school clubs.

OFFICERS

RODNEY BLOCK . . . . . **President**

ALLEN HOLCOMB . . . . . **Speaker of the House**

GENE McCREE . . . . . **President of the Senate**

MR. MAGARIAN . . . . . **Sponsor**

With Mr. Magarian as advisor, the Student Council this year ran all school elections, co-ordinated activities of school clubs, encouraged school spirit, and directed Homecoming and the Tangerine Bowl Parade. Along with the PTA and other organizations, the Student Council helped secure three much-needed water coolers. Mindful of others, it organized the United School Community Chest drive in early fall. The money thus secured was given to the Junior Red Cross, the March of Dimes, and the Jacksonville Children's Home.

Shirley Malcom, Secretary; Julia Glasscock, Treasurer; Mrs. Phillips, Sponsor; Lou Rene Voges, Vice-President; David Wheeler, President.

The HONOR SOCIETY

One of the highest honors an OHS student can hope to receive is membership in the Omicron Eta Sigma Chapter of the National Honor Society. Qualifying after a series of practice congresses throughout the state, these Senators and Representatives were chosen to represent OHS at the Tallahassee State Student Congress. The sessions were held in the capitol building, where the congressmen debated bills introduced by the participating schools.

At Tallahassee the title of "Best Speaker of the Senate" came to Larry Sands. Since OHS students had received the award for the two previous years, with Larry's win, the gold cup became the permanent property of the Orlando Chapter.

Larry presents the cup to President McCree.

NATIONAL FORENSIC LEAGUE

The Orlando chapter of the National Forensic League is one of 500 that exist throughout the United States to encourage the study of debate, oratory, and public speaking. To obtain membership a candidate must first earn twenty credit points by radio broadcasting or by speaking before a high school assembly or an adult audience of at least twenty-five persons.

In October and November the chapter was kept busy with the Forensic League Follies and student congresses.

A highlight of the year was the public initiation on January 19. At this time the chapter was honored with a visit from Mr. Bruno E. Jacob, the executive secretary of NFL, who presented the leading chapter of Florida award for 1949. Ours is one of only four chapters in the United States which have received the coveted award twice!

February found our debaters working very hard to take part in the tournaments at the University of Florida, and in May some of our NFL'ers traveled to the State NFL Tournament at Miami.

A year of activity was climaxed in April with the Southern Speech Association Tournament, again at Gainesville.

FOOTBALL

The Tigers finished the season with a bang, although they got off to a slow start. The 5-5 record with which they ended does not do them justice. Hard work on the part of the players and the able guidance of Had Coach "Red" Houston and his staff led the Bengals to two stunning upsets at the end of the season.

George Foti and Pete Hyer were chosen as the most valuabl and the most improved players, respectively.

LEFT TO RIGHT: Shirley Malcom, Dutchie Milligan, Marcis Harris, Betty Claudy, Gee Gee Gahr, Nancy Beth Wyckoff. *SEATED ON TIGER:* Captain Dot Johnson, Co-captain Carrie Nell Jordon.

ORLANDO VS. SANFORD

7500 fans saw an unpolished Tiger eleven roll to an 18-0 victory over Sanford. Hudnall swept around right end for the first score. Foti and Stephens scored the other two in the last quarter. Shaeffer, Hyer, and Cason were outstanding on the Bengal defense.

ORLANDO VS. ROBERT E. LEE

The Lee powerhouse from Jacksonville proved to be too much for the boys from Orlando as they suffered an 18-6 defeat. Byron Eicher punched over our only touchdown in the last quarter on a line plunge.

ORLANDO VS. PLANT

The Tigers racked up their first Big Ten win by downing Plant of Tampa, 12-0. Eicher and Hudnall picked up a touchdown each, as they sparked Tiger offensive machine. Jim Hall and Fred Baetzman turned in stellar line play for the locals.

ORLANDO VS. MIAMI JACKSON

The Bengals fought to a heart-breaking loss at the hands of the Jackson Generals. Behind 13-0 at half time, the Tigers picked up two quick TD's. Foti carried the mail both times, after which Holcomb added both extra points. A fourth down gamble gave the Generals their touchdown, and the game ended 20-14 in favor of Miami.

ORLANDO VS. ST. PETERSBURG

The Tigers ran out of steam late in the first quarter after driving for a touchdown in the first minutes of the game. Eicher took it over for the Bengals from the seven. After that it was Green Devils all the way. Final score: St. Pete 20, Orlando 7.

ORLANDO VS. HILLSBOROUGH

The revamped Tigers upset the Terriers for their first victory over Hillsborough in nine years. Burroughs romped 45 yards to set up the score. Holcomb's educated toe provided the winning margin after a Foti to Cason touchdown pass. The game ended 7-6 favor OHS.

ORLANDO VS. WEST PALM BEACH

Claude Hunter, a Junior track star, took a handoff from Burroughs and raced the opening kickoff back 90 yards for a TD, but after that West Palm Beach took over the reins. OHS mustered a touchdown in the final quarter on a Foti to Cason pass. Final score: West Palm Beach 19, Orlando 14.

ORLANDO VS. MIAMI BEACH

The Typhoons swept the Tigers off their feet by a 13-7 margin. A Foti to Cason pass gave Orlando its only touchdown.

ORLANDO VS. LANDON

The Tigers were the toast of the state after defeating the powerful Landon Lions, 15-13, in a stunning upset. Orlando's offense rolled up an amazing 157 yards from scrimmage, but the superior defensive line play was the decisive factor of the game. The winning margin came when "Stumpy" Thompsen, All Southern back, slipped down in his own end zone.

ORLANDO VS. LAKELAND

A chilly but happy crowd saw the Tigers end their season by trouncing their annual Thanksgiving Day rivals, 26-7. The Dreadnaughts lead at half time, 7-6, but the out-manned Lakeland eleven was swamped in the second half by the Tigers. Burroughs picked up two TD's for the victors, while Stephens and Cason picked up one each.

FIRST ROW: Rogers, Weaver, Pitts, Barlow, Ingram, Huckel, Mims. *SECOND ROW:* Mayo, Sherin, J. Brim, Chamberlin, Rooks, Boyd, Lane, Bargeon. *THIRD ROW:* Little, Flowers, McKee, T. Brim, Petigrew, Malmberg, Oswald, Peeples, Conley, Dalrymple, Coach Gilmartin.

BASEBALL

COACH TINSLEY

This year Orlando has one of the most promising teams in the state. The backbone of the Bengals will be eight returning lettermen; some have had two years' experience in prep competition. Frank Hutsell and Pat Smith, two experienced hurlers, will have the burden of the mound duty resting on their shoulders. Versatile Doug Hudnall, who will be the utility man, may open at third or behind the plate. The power of the club will rest on the shoulders of Frank Redding and Maury Hurt, two fleet outfielders, who are also back from last year's squad.

With all this material, Coach Tinsley's nine looms as one of the top contenders for the state crown.

MANAGER DICK SEWELL

GOLF

Under the guidance of Ed Creech, the golf team has won two of its four encounters thus far this season. The four golfers, Don Bisplinghoff, Billy Neel, Robert Corbett, and Bob Taylor, will compete for honors in the state tournament and in the "Big Ten."

Don, Billy, Mr. Creech, Robert, Bob.

COACH BILL GILMARTIN

TRACK

As TIGANDO goes to press, Coach Gilmartin is beginning his '51 season with Rod Block and Jack Stephens as captains. The nucleus of this year's team will be three returning lettermen, Richard Waters, Claude Hunter, and Rod Block. Although the track team lost six lettermen from last year's squad (John Alexander, Joe D'Agostino, Bud Davis, Pete Osborne, Wally Williams, and Dick Montgomery), their early practice spirit indicates they will hold their own in any meet in the state.

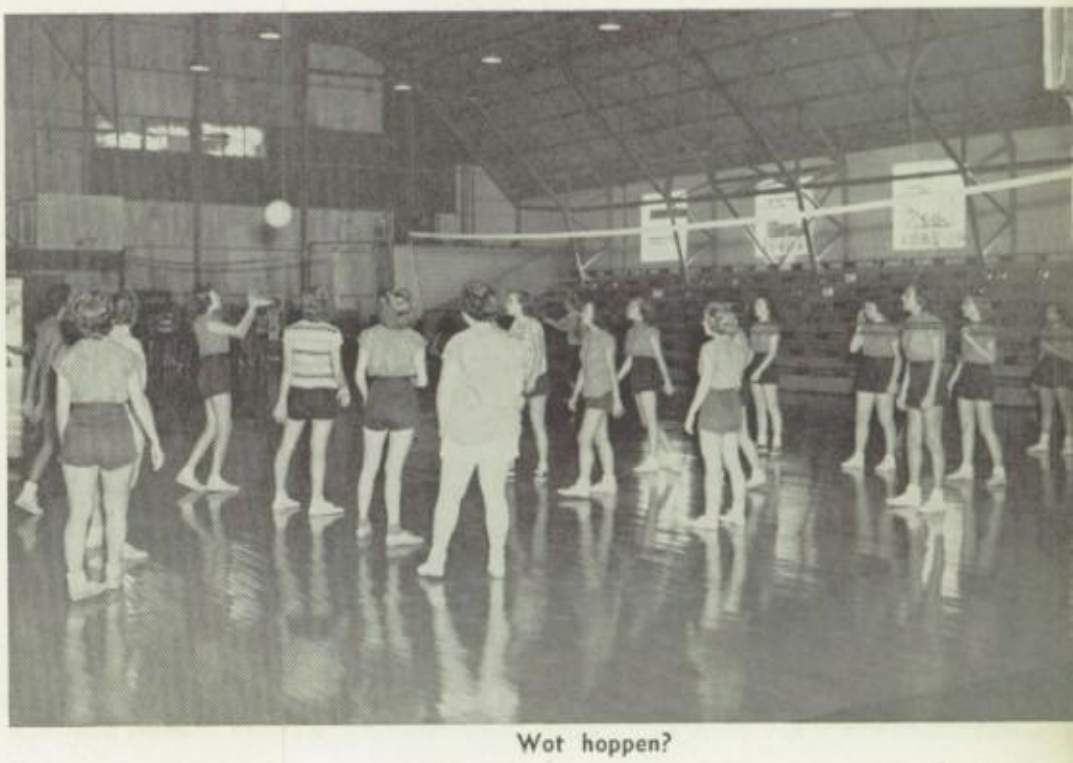
Action galore

This year there was plenty of action in each and every game. The teams were well matched, and the games were cleanly played. A double elimination tournament was used in which 14 teams consisting of 180 girls participated.

V O L L E Y B A L L

Looks as though we caught these girls in the middle of the act. They are the vivacious M.C.'s under the leadership of Martha Raus, representing a typical intramural play-off.



Wot hoppen?

The champs

"The Gold Nuggets," traditional winners for the past four years, once more succeeded in reigning over the rest of the teams as volleyball champions. Eugenia Moody, Lillian Baird, Shirley Jonas, Rosemary McLemore, Jean Foti, Pat Walker, Betty Claudy, Grace Insana, Eleanor Davis, Phyliss Henkelman, Inez Anderson, Cleon Anderson.

"The Blue Demons" look quite determined and their outcome proves successful. Joyce Rister is their capable captain. These intramural games, which are played in the gym after school, stir up great enthusiasm among the girls.
